Dear Sir/Madam,

Consultation on 2013/14 admissions arrangements:

Harris Academy South Norwood; Harris City Academy Crystal Palace; Harris Academy Purley

Please find with this letter draft admission arrangements for the above academies. These have been updated in anticipation of the new Admissions Code expected to be adopted by Parliament in February 2012. If any of the requirements of the new code are not finally adopted we will delete them from the arrangements. There are no changes to the criteria for admission to Year 7.

You will also find attached a draft scheme for the coordination of applications for sixth form places in the Federated Sixth Form arrangements known as Harris Federation Post 16. Each Academy is its own admission authority and so each has statements of its arrangements for admission to the sixth form, which we have set out in the new format recommended by the DFE. However we propose to publish the attached Harris Federation Post 16 scheme, for admissions in 2013/14 and thereafter, explaining how the coordinated admission process will work.

If you have any comments on the draft arrangements for one or more of the academies or on the proposed coordinated Post 16 admissions process please send these **by the end of February** to: Chris.randall@harrisfederation.org.uk by email or write by ordinary mail to Chris Randall, Harris Federation, 4th Floor, Norfolk House, Wellesley Road, Croydon CR0 1LH.

Yours faithfully,

Chris Randall
