Extra Curricular Programme Spring Term 2011

Dear Parent

Listed below are the extra – curricular activities available to students for the Spring term 2011. I am sure that you will agree this is a full and comprehensive range of activities.

Although registers are taken, it would be helpful if you would ensure that your son or daughter informs you as to which activities he or she is attending.

Should you have any queries about any of the individual activities, please contact the member of staff named on the programme.

Activities, such as Booster classes are run to enable students to reach a particular level, skill or competency in a subject. A member of staff will contact you in order to invite your child to attend these activities.

The programme is updated each term and an additional letter will be distributed at the beginning of next term with any alterations.

Yours sincerely

M SORRELL (MR)
Assistant Principal
Head of Communications Faculty

Monday

Subject/Activity	Teacher	Room	Activity	Time	Students
